

COMMUNITY OF SAINTS NEWS

Archdiocesan Support for Community of Saints and Catholic Education. Bishop Cozzens celebrated mass at Community of Saints last Thursday. He led us in prayer as we remembered our lost loved ones on All Souls Day. Also invited to our school mass were our "Loyalty" donors. This included members of Alums & Friends & Families who have been donating every year since the organization began in 2007. It was an honor to have such impactful guests at our special mass.

School Marathon/Give to the Max Day. Community of Saints students have been busy the last few weeks raising money for student health and wellness-this includes specific goals such as purchasing new drinking fountains (two out of three do not work!), supplemental playground equipment and a school garden. They have also been planning how they will serve our local community. Servant leadership is an important component of our school marathon--our students are AWESOME at serving others!

Thanks to so many parishioners who helped: Al, Barb, Cathy, Chris, David, Doris, Florida, Hope, Jan, Jeff, Joanne, Kathy, Pat, and Tony.
