COMMUNITY OF SAINTS NEWS

Community of Saints is always working to continue growing professionally and find best practice! The first week of summer included three days of Higher Powered Learning Program training with our school BLAST leadership team as we prepare to roll out school-wide blended learning next school year. This past week, school administration headed to the University of Notre Dame for the Latino Enrollment Institute (LEI) conference. In a few weeks, a team of teachers will also be heading to Notre Dame for an intense two week STEM training. We are excited to implement ideas and frameworks we learn from these professional opportunities in the 2019-20 school year and beyond.

Enrollment for the 2019-20 school year is in full swing, and we are excited—last year our enrollment increased over 10%, and we are hoping to grow even more next school year. We are asking YOU to spread the word, and help us with our goal to increase enrollment! If you know of anyone, ages Prek-8 grade, looking for a high quality, AFFORDABLE, Catholic education, that emphasizes the values of faith, inclusivity and love, please send them our way and we will give them a tour and show them what we are all about! Doug Lieser: dliester@communityofsaints.org; School Office: [651-457-2510](tel:651-457-2510)-we communicate calls in English or Spanish. Please and thank you!
