

Thank you Saint Matthew's families and friends for your contributions to the 2020 Easter environment fund. Your gifts in memory or in honor of your loved ones are greatly appreciated. This Lenten Season has been an unusual one, a challenging one. We were not able to be together in our worship space in person, but we were able to be there visually in other ways via Facebook, YouTube and other means. We decorated minimally and will use

your donations to decorate at other times throughout the year, the license to stream music/words/notes. We have a license to print things for weekend worship; there is an additional cost to do what we have been doing. You may have noticed the copyright information on the last slide of each song; all in remembrance of your loved ones. A blessed Easter season to all.
