

STATE FAIR STRAWBERRY BOOTH!

****SAVE THE DATE! ****Beginning Wed. Aug. 24th and continuing through Sun. Sept. 4th, St. Matthew parishioners & friends will again be cleaning strawberries for a booth at the State Fair. The booth owners are estimating that they will have twice the number of berries this year as compared to last year! Cleaning will begin at 8am each day, in the Social Hall. Depending on the amount of berries, cleaning should be done around noon. The socializing is fantastic!! Mark your calendars to take part in the “Great St. Matthews Get-Together”!! Sign-up sheets are available on the tables in the back of the church.
